I will attend the Baptism Preparation For Parents on:

Date: _____

Time: _____

- *If this is not your first child to be baptised and you have already completed a preparation programme, you are NOT required to participate in another programme. You will need only to take part in the Presentation and Baptism steps. Please book directly with the Parish Office and send in the completed form so that office can prepare the Certificate.*
- *We would ask that if you are able, you make a donation of \$100 which would help us cover expenses and donation to our Clergy Trust Fund – to help our retired, elderly and sick priests of our diocese.*
- *Please enclose this with your booking form. (If for any reason this causes hardship please do not hesitate to speak to the Parish Priest).*
- *If St Mark's is not your usual place of worship, we recommend you contact your local parish. Baptism is an important way of making a connection with your local parish and priest, and the future support your local community offers. This is especially important if you will be looking to send your child to the local Catholic school.*
- *If you already belong to another parish, then the baptism should take place there. If you are just having your child baptised so that they can attend a Catholic school, then please contact your Parish Priest for further information.*
